

## MAY MAKE TREATY EFFECTIVE QUICKLY

Exchange of Ratification by Three Powers Expected by Paris to Take Place Next Week.

## CAPITAL NO KNOWLEDGE

Washington Professes to Have No Information Regarding Postponement of Declaring Pact in Effect.

PARIS, Oct. 16.—The exchange of formal peace treaty ratifications putting the convention into effect is expected to take place early next week, according to semi-official French sources today.

The British and Italian ratifications copies of the treaties were deposited with the peace conference, arriving yesterday.

It is explained that the delay in formal exchange of ratifications was caused by the discussions required to take effect immediately upon the coming into force of the treaty. A staff of experts is engaged in the work of drawing up documents, and it is expected that this task will be completed during the week.

WASHINGTON, Oct. 16.—Officials Washington professed today to have no information regarding the date of ratification of the treaty of alliance by Great Britain, France, Italy and Germany, which would make the treaty in immediate force.

There was a suggestion that ratification had been postponed because the league of nations would have to assemble within 15 days after the treaty went into effect, but one departmental official said they assumed that if the treaty were put into force with one of the allied and associated powers, completing ratifications those powers would proceed with the organization of the league.

## NEW JERSEY AUTHORITIES FIND NO CLUE TO YOUTH

HAMMONDTON, N. J., Oct. 16.—After a week's search and the investigation of a series of supposed clues in the mystery surrounding the disappearance from his home here of Wednesday, of a three-year-old boy, the New Jersey authorities have no possible suspicion "bigger than the sky," he declared.

A letter received by the boy's mother gave the authorities another possible clue to work on today. The letter was postmarked Newark, N. J., and signed with the initials "J. P." It was written by the boy's handwriting, and it was written in ink, which failed to impress the child, but said that a mistake had been made in getting the wrong ink. "But, this is all I got," as I never can get an opportunity of getting the white boy to come to half past this boy. He is a wonderful little chap and I always like him. When you see him again, tell him I say 'Hello.' Missing boy, 3 years old, in the arms of his brother.

The white boy referred to in the letter is a son of Mrs. George W. White, a member of the city council.
